Gender: Male **Date of birth:** 07/04/1997 **Place of birth:** NAROWAL **Nationality:** Pakistani

WORK EXPERIENCE

[28/07/2021 – Current] **HED Lecturer in Biological Science**

Higher Education Department AJK

City: Rawalakot | **Country:** Pakistan | **Name of unit or department:** Department of Zoology | **Business or sector:** Education

■ **Position:** Incharge Online Classes / Lecturer Zoology / Assistant Controller Examination

■ **Duties performed:** Taught diverse courses of Zoology at under graduate level.

■ **Courses taught:** Principle of Animal life, Proteomics, Bacteriology and Virology, Ecology, Stem cell Biology , Introduction to Parsitology, Genetics, Fisheries .

[07/07/2022 – 07/07/2024] **Member of Board of Studies**

Department of Zoology, Faculty of Basic and Applied Sciences, UPR

City: Rawalkot | **Country:** Pakistan

[14/10/2019 – 19/07/2021] **Beacon Science College and Higher Secondary School Zafarwal.**

Rehan Nazim Minhas

City: ZAFARWAL | **Country:** Pakistan

Maintenance of computers

■ **Duties performed:** Taught diverse courses of Zoology at under graduate level.

■ **Courses taught:** Principle of Animal life, Animal Diversity, Bacteriology and Virology, Ecology , Systemetics and Taxanomy , Introduction to Parsitology, Genetics .

[2016 – 2019] **Vice President , Zoological Society , UoNarowal**

Head of Department of Zoology, University of Narowal

City: Narowal, Punjab | **Country:** Pakistan

EDUCATION AND TRAINING

[18/09/2021 – 04/10/2024] **MS Hons Zoology**

University of Poonch, Rawlakot <https://upr.edu.pk/home>

City: RAWALKOT | **Country:** Pakistan | **Field(s) of study:** Agriculture, forestry, fisheries and veterinary: • *Inter-disciplinary programmes and qualifications involving agriculture, forestry, fisheries and veterinary* | **Final grade:** 3.45/4

[2019 – 2021] **B.Ed**

Allama Iqbal Open University , Islamaabad <https://www.aiou.edu.pk/>

City: Islamabad | **Country:** Pakistan | **Field(s) of study:** Education | **Final grade:** 136 0/1800

[2015 – 2019] **BS Zoology**

University of Narowal | <https://www.hec.gov.pk/english/universities/Pages/Punjab/University-of-Narowal.aspx>

City: Narowal | **Country:** Pakistan | **Field(s) of study:** Life Sciences | **Final grade:** 3.35/4

[2013 – 2015] **Higher Secondary Education**

Govt. Boys Degree College Zafarwal

City: Zafarwal | **Country:** Pakistan | | **Level in EQF:** EQF level 3

[2009 – 2013] **SSC**

Ghazali Public High School

City: ZAFARWAL | **Country:** Pakistan | | **Final grade:** 966/1050

DIGITAL SKILLS

My Digital Skills

DNA/RNA extraction and PCR | Experience in MATLAB, python, and R | RNA-Seq | NCBI tools (Genbank, BLAST) | Linux (Terminal Commands, Bash/Shell) | genomic and functional analyses | NGS Transcriptomics | Proteomics Bioinformatic Tools

PUBLICATIONS

[2025] **Reproductive success, fecundity and survival of Fry of Rainbow trout in captivity**

[2025] **Effects of Carbamates and carbaryl on Morphological and histopathological changes in Chicken: A research Paper**

Reference: Afzal Talha, Shah SS, Afzal S, Salamat S and Raza A

[2019] **[Factors Influencing the Diversification of Mating Behavior of Animals](#)**

Reference: Afzal S, Shah SS, Afzal T, Javed RZ, Batool F, Salamat S and Raza A

CONFERENCES AND SEMINARS

[2018] **Biosafety seminar**

Discussions and workshops, I ensured that participants gained valuable insights into risk assessment, containment measures, and biosecurity practices, fostering a culture of safety and responsibility within the scientific community. This seminar not only enhanced participants' understanding of biosafety principles but also empowered them to implement robust safety measures in their respective fields, thereby contributing to the advancement of scientific research and innovation

[24/04/2024 – 26/04/2024] **Zoological society of Pakistan** Muzaffarabad

My abstract "Reproductive Success, Fecundity and Survival of fry of Rainbow Trout (*Oncorhynchus mykiss*) in captivity" submitted for 42nd Pakistan Congress of Zoology (International) 2024 has been presented.

Link: www.zsp.com.pk

[04/03/2025 – 08/03/2025] **Advances in Protein Function and Design** Comsets University Islamabad

Protein structures and stability

Protein dynamics and Functional Mechanism

Enzyme design and catalysis

Advances in Drug Discovery

Computational and experimental Methods

AI/ML Approaches

VOLUNTEERING

[2016 – 2019]

Vice President at Zoological society.

Community engagement and promoting awareness in various domains. Among these initiatives, I orchestrated a captivating pet show, uniting pet enthusiasts and fostering a sense of camaraderie among animal lovers. Additionally, I facilitated a crucial biosafety seminar, emphasizing the importance of adherence to stringent safety protocols in scientific endeavors. Furthermore, I curated an insightful environmental seminar, advocating for sustainable practices and environmental stewardship. Through my leadership and dedication, these events not only provided enriching experiences for participants but also contributed to the advancement of knowledge and awareness in their respective fields.

PROJECTS

Factors Influencing the Diversification of Mating Behavior of Animals

Effects of Carbamates and carbaryl on Morphological and histopathological changes in Chicken

Enhancing Fertility Rates of Rainbow Trout (*Oncorhynchus mykiss*) in Captivity: Evaluating the Efficacy of Steel vs. Mesh Incubators

Effect of environmental Temperature and pH on Fertility Rates of Rainbow Trout (*Oncorhynchus mykiss*) in Captivity

WORKSHOPS

[25/02/2025 – Current]

Basics of Large Language Models

[12/02/2025 – 18/02/2025]

Omics Logic Biomedical Data Science Research Program

[07/02/2025 – 09/02/2025]

RNA Seq Data Analysis

ORGANISATIONAL SKILLS

Book and Cultural Fair

Captain Hussain Khan Shaheed Govt. Boys Post Graduate College Rawlakot, Pakistan

2022, 2023

Media Coordinator

Harmonizing among the members of Azad Jammu Kashmir College Teacher Association and help them to raise their voice before higher authorities

Science Exhibition

RESEARCH INTERESTS

Bioinformatics

Biostatistics

Fisheries and aquaculture

PROFESSIONAL STRENGTHS

Self-motivated, determined, and goal-oriented

- Self-motivated, determined, and goal-oriented individual with interest and analytical skills to pursue research using AI and Machine Learning techniques
- Demonstrated experience in taking out original high-quality research through peer-reviewed publications at international conferences and journals
- Contribute to knowledge development through scholarships, travel grants, presentations at international conferences, and engagement with the scholarly/professional community
- Experienced tertiary education lecturer committed to high standards in face-to-face and online teaching and curriculum development, with a focus on technical and professional skills
- An excellent problem solver, able to quickly grasp complex systems and identify opportunities for improvement, and resolution of vital issues with a broad range of computer expertise
- Proven ability to teach various animal science courses, capable of managing time and work to strict deadlines, experience in working efficiently in diverse cultural environments
- Excellent interpersonal, oral, and written communication skills
- Committed to academic research and continuous professional development, high-quality teaching, and fostering a positive learning environment for students

CREATIVE WORKS

Graphic designing

I can design posters and logos.

RECOMMENDATIONS

Name: Dr Ali Muhammad Assiatant Professor/ Supervisor

I strongle recommend Dr. Ali as my recpmender because of his academic credential and strong mentorship. He has supervised my research and collaborated with me on various projects, provided me with deep understanding of my potentials and abilities . I know them since the beginning of my Ms program. He supervised me during my M.Phil programe (my research project and thesis).
